Language Arts:

We are finishing up the alphabet with Y & Z and we will focus on the phonetic sounds of these letters as well as the correct printing too. An alphabet connect the dots and color by numbers will be completed. A Pilgrim picture story and a book of Thanksgiving words will help us get in the spirit of Thanksgiving. We will be working on opposite words, rhyming words, and word families. We will continue working on sight words and reading stories too.

Math:

The children are enjoying addition and are becoming quite proficient with this skill. We will work with the concepts of empty and full and many and few. I will introduce telling time. Each child will have a small clock to practice with. Telling time is always a big hit. A turkey dinner graphing activity is planned. We will also be working on positional words.

Social Studies:

The children will enjoy learning about the Plains, River, Woodland and Pueblo Native Americans. We will be working on Thanksgiving crafts these next few weeks.
