

Two's News

Introductions:
Review Week

November 9-13
Week 13
Topic: Special Friends
Part 2

Concept

Our shelves are filled with special friends! Barney and Baby Bop help us sort shapes and help us learn how to match. Big Bird and Elmo will help us learn the concept of big and little.

Language Arts

We continue to discuss "special friends" this week. We will introduce the flannel board story, "Brown Bear, Brown Bear". We have several theme-related fingerplays to share. We end the week practicing our listening activity, "Head, shoulders, knees and toes".

Reminders

*With the cold and flu season upon us, we ask that you please dress your child for the weather. We will still be going out daily. Please send hats and gloves when the weather is cold outside to keep our little friends warm.

*School will be closed both November 26th and 27th for the Thanksgiving holiday.

Craft and Writing

We are set to review letters Aa and Bb. The children will have a great time coloring special friends with chalk. Our fine motor skills will get a workout as we finger-paint, work with scissors and play with play-doh.

Motor

We will have the children jumping on the tumbling mat and bowling at a specific color. We will continue to practice the action words run and jump.

Happy Birthday
Owen O'Reilly
