

# HOLIDAY CHEER

## Toddler Times

Nov. 30-Dec. 4

**Introduce:** Red

**Book of the Week:** Snoopy's Christmas Tree by: Charles M. Schulz

Now that Thanksgiving is behind us and the holiday season is in full swing, Mrs. Christine and Ms. Sam will begin to introduce various holidays and their traditions. We will begin the week by painting a green Christmas tree and use our fingerprints to make red ornaments as we introduce our new color. A Kwanzaa candle sort will help reinforce the color red as well, along with a new RED song. The children will go on a color hunt as we search for red things in the classroom and create a new red shelf job bin.

Legos will be enjoyed this week as we build a Hanukkah menorah from blue and yellow legos and a Christmas tree made from green duplos. New songs such as the Dreidel song, Santa Claus is Coming to Town and many more will be enjoyed Art for the week will include ice painting, water colored dreidels and colorful ornaments.

**REMINDER** - Have you filled out the form for daycare week yet? Please be sure to let the office know if you plan to send your child for Christmas break.
