

HAPPY THANKSGIVING!

Junior Journal

Week 15 Nov. 23-27 Theme: Thanksgiving

Language Arts

We continue to delight the children with tales of Pilgrims, Native Americans and the First Thanksgiving as well as share some Native American music. Here is a cute fingerplay for you and your child to share.

*Mr. Turkey strutting all
around,
Pecks at the corn scattered
on the ground.
See him walk with a wobble,
wobble, wobble,
Hear him talk with a gobble,
gobble, gobble.*

Concept

The teachers continue to reinforce all concepts introduced. We will work on a collage of our favorite Thanksgiving food.

Craft and Writing

The children will be painting a turkey with colorful feathers. We will work together to create festive necklaces to be worn at our pow-wow celebration.

Motor

In our motor room the children continue to work on obstacle paths, following directions and practicing the ball and wand. The children will participate in a throwing review with bean bags. The children will also enjoy following a path of turkey tracks.

What's New

Vocabulary: kind:
gentle, generous and
friendly

It was **kind** of the Native Americans to share a feast with the Pilgrims.

ATTENTION

Please make sure your child as a labeled coat, hat, and gloves as we go outdoors daily.
