Five Little Reindeer

Five little reindeer, prancing in the snow,
Waiting for Santa to say “Let’s go!”

The first little reindeer said, “Let’s be on our way.”

The second little reindeer said, “It’ll soon be Christmas Day.”

The third little reindeer said, “The sleigh is full of toys.”

The fourth little reindeer said, “They’re for all the girls and boys.”

The fifth little reindeer said, “We’ll travel far tonight.”

Then out came Santa with his “Ho, Ho, Ho!”

And the sleigh and the reindeer were soon out of sight!

Have a great week!!
