

Junior Journal

Theme: Healthy Kids

Language Arts: We will play a Riddle Game to guess which healthy food is hiding in our surprise picture board. Proper hand washing and drying will also be discussed.

Concept: We will begin to explore ways to stay healthy! Our class will do a taste test this week tasting *sweet, sour, and bitter* tasting foods. Which is your favorite? To strengthen fine motor skills, hole punching will be introduced. It is too cold to go outside, so we will bring the snow to our water table. (weather permitting)

Craft & Writing: To enhance our *Healthy Foods* theme we will create a placemat and cut out healthy food pictures to place on the food pyramid. We will also continue practicing printing our name.

Motor: Shooting baskets and bean bag toss will help get our gross motor skills developed, and we will have fun rocking in the row boat with a friend.
