## THEME: Celebrations

December 14, 2020

Thank you to everyone who attended our Trim-a-Tree celebration. It was a beautiful night and our tree looks lovely with all the beautiful ornaments created by our wonderful families.

This week the children will have the opportunity to tell the class about the way their family celebrates the holiday.

*Mrs. Paula, Mrs. Cathy, Mrs. Karen, Miss Demi and Miss Katy*

**Language Arts:** Our Celebrations theme is reinforced through many stories and finger plays, such as "Here is the Chimney" and "I'm a Little Santa". Christmas B-I-N-G-O will add to our Christmas fun!

**Concept:** Our Christmas countdown continues daily as we add an ornament to a tree until there are 25 of them. We will continue our work with golden beads math

**Christmas Parties & Pajama Day**  
Tuesday and Wednesday, December 22 & 23.

### Reminders

Please remember the \$5.00 Grab Bag fee for the gift Santa will deliver at our Christmas parties.

We will be closed to all Preschool Students from December 24 thru January 1. Classes resume January 4, 2021.

**Motor:** Let's rock around the Christmas tree as we review our action words: run, jump, hop, stop, and go.

**Craft and Writing:** Along with printing our new letters, Christmas crafts will begin this week. Our little elves will be preparing a special gift for mom and dad, and decorating our classroom for this magical season.

**HAPPY BIRTHDAY!**
