Dec. 14-18

Topic: Christmas/Winter

Motor

Winter weather is upon us. Remember we will go outside when the temperature is above 20 degrees including the wind chill. When it is too cold to run outside, the children will enjoy indoor motor time which will include ball play, jumping, climbing stairs and crawling through the tunnel.

Language Arts

The children are as excited as the teachers are that Christmas is quickly approaching. Our parties are Tuesday and Wednesday, Dec. 23rd and 24th.

A special visitor will drop by with a grab bag gift for each child. The party will include singing Christmas carols as well as some exciting games.

Craft and Writing

“Silver Bells, Silver Bells.....It’s Christmas time in the Two’s room! The teachers have been busy little elves preparing for this week. We will use shaving cream and popsicle sticks to “shave” Santa. Glue and foil will help us to create Christmas stars. Watch for many colorful crafts to come home this week.

Concept

The children will work on the concept of big, medium and little as they build Frosty the Snowman. The children will be busy Santa helpers working in “Santa’s Workshop” as they use tools at the workbench. We also plan to make some Christmas slime for a bit of added fun.

Christmas Break

Daycare Only (full day students) Dec. 24th through Jan. 3rd. Classes resume on Jan. 4th.
