

# Two's News

Jan. 4-8

Week 21

Theme: Winter

Manners: Wait your turn

Bits of Intelligence: Mammals

## Language Arts

The Language room has a very busy week ahead. We will introduce two new songs, on titled "Snowflakes Falling". Our new fingerplay will be "Here's a Great Big Hill" and "Five Little Snowmen". We look forward to lots of flannel board fun! "I'm a Penguin" is sure to be a new favorite. The children will be talking about what snowmen wear as they build one on the flannel board.

## Concept

There's a lot to talk about this week in concept class. During calendar time the children will learn about our new month of January and our new year 2021! We have a winter matching game planned, as well as a snowflake counting activity. The children will have a blast scooping ice cubes out of the water table. There will also be a discussion about appropriate winter clothing.

## Craft and Writing

It's a new Year and time to work on cutting skills! The children will cut both Play-Doh and scraps. We begin the week with a special new year's craft. The children will enjoy ice painting and well as creating a winter tree from sticks found outside.

## Motor

The teachers will work on the ball and wand to strengthen eye-hand coordination, tunnel play and an obstacle course. We will also enjoy playing snowman knockdown.
