Bobbie Noonan's January Newsletter

Upcoming Events

School Closed:

School will be closed on Friday, January 1st for the New Year Holiday.

Normal Tuition is due this week.

Classes Resume:

Welcome back and Happy New Year! Now that the excitement of the holidays has passed, all of us are ready to settle back into our regular routines. **Classes resume on Monday, January 4th.**

Fire Safety:

On Monday, January 11th and Tuesday, January 12th, we will have an indoor fire drill. This is very important because it teaches the children about what to do in case of a fire and about fire safety.

Student Evaluations:

All the children will be re-evaluated this month and the results will be compared to those completed in September. This will help us to determine both how your child and the group as a whole are progressing academically and socially. We will use this information to plan appropriate curriculum for the months to come. Your child's progress will be discussed at parent-teacher conferences in February. Specific information concerning dates and times will be sent out at a later time.

Martin Luther King Birthday:

On Monday, January 18th, we will be celebrating Martin Luther King's Birthday. School is open normal hours as usual.

Registration for 2021-22 School Year & Summer Camp:

Fall registration, for the 2021-22 school year will begin on Friday, January 15th. These fees are due as you return the completed forms. **At this time anyone who registers before January 31st is eligible for 50% off the school year registration fee.** Forms returned without the appropriate fees will not hold a spot for your child. Illness Policy:

Now that winter has truly arrived-please remember our outdoor policy: Day care children will go outside everyday when the temperature is 25 degrees or above. (Wind chill factors will be taken into account). **Be sure to send appropriate clothing: winter coat, snow pants, boots, mittens and a hat (all items should be labeled with your child's name).** Please keep in mind that we have a policy that if your child is well enough to be at school they are well enough to be outside. Listed below is our illness policy that you will find on page 25 of your parent handbook.

1. The child has a fever or had one during the previous 24-hour period. (Child must be fever free for 24 hours.)
2. The child has a cold and/or heavy nasal discharge.
3. The child has a constant cough.
4. If a child develops a communicable disease, please notify the school at once.
5. The child is overtired. Overtired children are susceptible to illness.

Children must not be brought to school ill! We do not have the facilities to care for these children. Anyone who becomes ill will be isolated and the parent will be notified that he or she needs to be picked up in a timely manner. This policy is strictly enforced.

Have a Wonderful Winter Season!
