Tinley II
Junior's Newsletter
January 4-8, 2021**

Theme:
Healthy Children

Introductions:
Letters – Kk & Ll
Shapes – Oval & Diamond

Bits:
Musical Instruments

Manners:
“Say I’m sorry” and “Do not cut in line”

Proverb:
Practice makes perfect

Vocabulary:
Rude – To have or use improper manners.

Language:
We will have a new activity called the Riddle game. We will also be learning some finger plays; we’ll work on listening activities and manners activities. We will also work on stories #1 and #2.

Craft & Writing:
This week the children will work on papers that reinforce our theme of healthy children. The children will work on tracing their names, letters and numbers along with practicing curve and angle cutting.

Concept:

This week the letters Kk and Ll along with oval and diamond will be added to the shelves. The children are doing a great job with numbers and will continue to work on them this month. The children will have fun playing number BINGO and using different manipulatives to practice counting. This week we will also use the balance scale to weigh popcorn cooked and uncooked. In science, the children will continue to learn about the season of winter.

Motor:

This week the children will be doing some fun exercises; we will be using the balance beam and playing some games with bean bags.

Welcome to the New Year!

Have a super week!
