Language Arts

This week, the children will learn about "r" blends, such as br, cr, dr, fr, gr, pr, and tr. Also, the children will continue to work on Build-a-Word, Build-a-Sentence, and word families.

Craft and Writing

During the week, we will label the parts of a tooth and make a Tooth Fairy project. The children will continue to print on lined paper. They will also write and draw about being a Tooth Fairy.

Math and Science

In Math, the children will continue to learn to tell time by the $\frac{1}{2}$ hour. Subtraction skills will also be introduced. The children will also use playdough to create fractions.

In **Science**, the children will learn about healthy and unhealthy foods. They will also learn about the different parts of the tooth and how the Dentist helps take care of our teeth.

Special Event

On Monday, we will discuss the Groundhog, his special day and make predictions on whether he will or will not see his shadow!
