

Kindergarten News

January 18 thru 29, 2021

THEME: **Space & Planets**

10,9,8,7,6,5,4,3,2,1... BLAST OFF!!!

We will explore our solar system for the next two weeks. We are on our journey through the solar system. Exploring all 8 planets will definitely have our minds in celestial overload!

Our BIT cards will feature the first ten Presidents. Each president is discussed in the order in which they served our country.

Craft and Writing

The Kindergarten children will continue to use lined paper to write letters, words, and numbers. During the next two weeks, we will create a rocket ship, and an astronaut. The children will be writing information about the sun, moon, stars and Earth. They will also write about taking a trip to the moon!

Math & Science

In *Math*, the children have been learning to tell time by the hour as well as learning about fractions. This week, they will learn how to tell time by the half hour, and they will increase their knowledge of fractions using playdoh.

Language

The children will be learning about blends. A consonant blend is two or more consonant letters that come together in a word. Their sounds blend together but each sound is heard. The "l" blends will be introduced first; bl, cl, fl, gl, pl, and sl.

Important Dates

- **Registration for the 2021-22 school year** Registration begins January 15. All current students need to re-register for the new school year. If you return your **fall registration** forms by February 15, you will receive 50% off your registration fee. Request your registration form today! Registration opens to the public on February 15.
- **STEAM into Summer Camp** Registration for our summer camp begins January 15. Summer Camp runs from June 14 thru August 6. A \$30 Summer Camp activity fee is due along with your form. Request your form today.

RANGER of the WEEK

Audrey Wernet 1/11
