

TWO'S NEWS

Jan.25- 29

Week 24

Topic: Transportation

Concept

This week Ms. Sam will be introducing different types of transportation. The children will also have a blast playing Ms. Sam's transportation magnet game. The children will have lots of fun making tracks for cars, dump trucks and tractors. Ms. Sam will talk about transportation on air, land and water

Language Arts

Ms. Cheryl has an exciting week planned. She will discuss transportation with the children. She will also discuss traffic safety and the importance of wearing a seatbelt. A new finger play "Five Speedy Race Cars" will be enjoyed. A new listening activity is on the agenda for this week.

Craft and Writing

Get ready to see some cars and buses come home. Mosaic work and sponge painting are just two of the fine motor activities planned.

Motor

We have a transportation game planned for extra large motor fun. The children will pretend to be trucks that transport bean bags to their destination on top of blocks. Ms. Cheryl will use the balance beam. Ms. Sam will bring out the rocking boat and take the children on a "boat ride".

Bits of Intelligence:
Mammals

- * **Special points of Interest:**
 - * *February 15—Registration is now open to the public. Have you secured your spot for next year or this summer?*
 - * *February 15h Parent Teacher Phone Conferences. No half day classes (9-12) on this day.*

Valentine's day parties will be on Thurs. Feb. 11th and Fri. Feb. 12th. If you would like to send valentines (10 per student) please label all envelopes with

What's New in the Two Year Old Room

Introductions: Come and Go
Manners: Do not interrupt.

*Happy Birthday
