

Pre-K

Theme: The Community
Week 25 Feb. 1-5

Introductions: Ww and Xx

Vocabulary: wasteful- to be thrown away; not used completely

x-ray - a stream of electromagnetic radiation

Fable: Jupiter and the Tortoise

Moral: Think before you speak.

Parent-Teacher Phone Conferences are scheduled for Monday, February 15th. There are no pre-school (half-day) classes on this day, we are open for daycare only.

Valentine's Day Parties

Feb. 11th and 12th

If you plan to send valentines, please label each envelope "friend". (10 per student is sufficient)

Language Arts

In Language class we will discuss our theme of community. We will discuss the different jobs held by our community helpers, such as postal carrier, librarian, police officer, firefighter and more. Story time and puppet play will help enhance our theme.

Concept

This week the children are learning about estimation. They will observe and compare two different piles of objects to see which pile has more or less. We will work on spatial relations (over, under, next to, etc).

Mrs. Ann will discuss our sense of taste with the children.

Craft and Writing

Readiness papers will require the children to cut and paste pictures in order to complete a pattern. Ww and Xx printing papers will be added this week. A fun postal carrier review game will add to our fun. Ms. Jen has a few community helpers papers planned to support our theme.

Motor

We will have a great time participating in a path activity using cardboard blocks and a jump rope. Those muscles will get a workout as the children learn to do exercises. A mailman beanbag review game will add to the fun. The children will wear fireman and policeman hats as they compete in relay races.
