THEME: Dinosaurs

February 15 thru 26, 2021

Our new theme for the next two weeks is **Dinosaurs**.

We will learn that dinosaurs are extinct, how they lived in prehistoric time, how they are different, and we will also learn that paleontologists are scientists who dig up fossil bones.

Important Info

Parent Teacher Phone Conference
Monday, February 15. School closed to half day & extended day students.

Registration for the 2021-22 school year

Have you registered for the 2021-22 school year? Classrooms are filling up! All current students need to re-register every year.

STEAM Into Summer

We are currently accepting registration for our summer camp. Send in your form today!

Craft and Writing

Look out for lots of prehistoric dinosaurs to come your way over the next few weeks. We will write about dinosaurs and draw pictures related to our dinosaur writing.

Math & Science

In Math class, the children will continue to learn about subtraction and review the concepts of adding, greater than, less than, and equal to.

Dinosaur fossils will be the topic of discussion during Science class.

Language

The children will learn about *S blends*, such as *sc, sk, sm, sn, sp, st, and sw*. We will match pictures to the correct blend and work on blend papers to reinforce this new concept. The children will also learn about two new word families.
