THEME: Colors 

We will explore colors in a new way. The children have already learned about several colors but through art, concept and stories they will learn a different perspective of colors.

HAPPY BIRTHDAY

Carson Komer 3/2

Language Arts: Colors here, colors there, so many colors everywhere!! This week our class will talk about the colors that have already been introduced so far this year. The color gray will be added to our color chart. We will have fun exploring these colors through flannel board stories and storybooks. Get ready for a colorful week!!

Concept: Counting colors will enhance both our theme and develop number skills. Sorting jobs from our shelves will reinforce big, little, and color sequence. We will explore color mixing through a fun experiment.

Craft & Writing: Red and Yellow makes Orange!!! Get ready to learn about color mixing as we get creative with our finger paint. Our little artists will make several works of art throughout the week.

Motor: Color Hat Toss is a great way to review our colors and develop eye/hand coordination. A color relay race will get our leg muscles into shape. Stretching exercises will help to keep our bodies limber.

Important Info

Registration for the 2021-22 school year

Have you registered for the 2021-22 school year? Classrooms are filling up! All current students need to re-register every year.

STEAM Into Summer

We are currently accepting registration for our summer camp. Send in your form today!
