HAPPY BIRTHDAY

Language Arts: Story #8 will be introduced along with the new vocabulary words at, is, and big. We will spend time reviewing and singing some of our favorite songs.

Concept: In addition to checking out all the communities within the state of Illinois, we will be practicing our math skills with the Golden Beads. Several fun math games will encourage us to learn how to add and subtract.

Craft and Writing: Our papers will contain matching letters and filling in the missing numbers. Our name printing skills are improving as we practice each day!

Motor: Let's move to the beat of our hearts, as we review our action words. Playing a "follow the directions" game is a great way to keep our hearts healthy and our listening skills toned.
