**Weeks 27 & 28** February 15th–19th & 22nd-26th, 2021  
**Theme: Healthy Kids**

### Language Arts:

As a class, we will be discussing the importance of healthy eating, staying clean, getting the right amount of sleep, and exercising our growing bodies. Do you like fruits and vegetables? Our class will explore fun songs to help us learn about making healthy choices at home and at school. We will also look at picture files of healthy foods and many other healthy habits. We will read all sorts of books to learn about our exciting theme.

### Motor:

“Here’s my head, here’s my nose. See my hands, touch my toes. Reach up with my fingers, high as they can go.” It is very important to exercise in order to keep our bodies healthy. The children will stretch and dance to some favorite songs on the tumbling mat. The children will also enjoy a fun obstacle course using stairs & the balance beam.

### Concept

“Brush, brush, brush your teeth, brush your teeth right now. Up and down, round and round, I like to brush my teeth.” We will talk about the importance

of making sure that we brush our teeth everyday, at least twice a day. The children will enjoy playing with the water table as they wash dishes.

### Craft and Writing:

Fruit salad is yummy! Our little artists will create special fruit and vegetable crafts to take home.
