Weeks 27 & 28 February 15th -19th & 22nd-26th, 2021
Theme: Healthy Kids

Language Arts:

"This is the way we wash our hands, wash our hands, wash our hands, this is the way we wash our hands, early in the morning!" During the next two weeks, we will be discussing hygiene and how to keep our bodies clean. We will learn all about healthy and unhealthy foods.

Motor:

Let's explore the doctor's office prop box and help each other learn about going to the doctor. We will learn to clean our bodies by playing a game of following directions. We will also put our bodies to work as we learn to stay healthy by exercising.

Concept

We will wash dishes from our kitchen. In our water play area we will practice brushing teeth with a fun review game. We will also learn how to sort healthy vs. unhealthy foods.

Craft and Writing:

The next two weeks we will create fun healthy crafts using tissue paper, shaving cream, and watercolors.
