

Pre-K Press

Weeks 27 & 28: February 15th-19th & 22nd-26th, 2021
Theme: Transportation

Language Arts:

As our transportation theme begins this week, we will discuss many ways in which people and things can move on land, in the air, and on water. The following finger play will be presented:

“My Bicycle”

One wheel, two wheels,
on the ground
My feet push the pedals
round and round
Hands on the handlebars
help me steer straight,
Down the sidewalks and
out the gate!

A language game, which we call “What’s Wrong” will be used to help the

children develop language and critical thinking skills.

For example, one card may show a picture of someone mowing the grass with a vacuum cleaner.

Motor:

This week we will have fun using the rocking boat, tunnel and parachute. Weather permitting the children will enjoy some outdoor play.

Concept

We will begin the week with an experiment dealing with weight. We will also be doing an experiment using magnets. A seriation game will put the children’s thinking skills to the test.

Craft and Writing:

We will incorporate our theme of transportation into several different materials. The children will practice printing their names. Correct printing of your child’s name is essential for Kindergarten readiness. So please keep in mind to only capitalize the first letter of your child’s name.
