**Language Arts:** Our next Bold Beginning story will be introduced along with the new reading words *My*, *Blue*, and *Boat*. We will play a find and rhyme game, and read many nature stories featuring ocean animals. This weeks high frequency words include *a*, *and*, *of*, and *the*.

**Concept:** This week, the study of *Wind* will be conducted. Wind plays an important role in our world, as we will soon discover during the week. Wind is a factor in how high the waves are in the ocean and simple experiment will illustrate how we can move an object without touching it.

**Craft & Writing:** We are reviewing the alphabet, numbers, and colors this week. The children are creating their very own sharks and goldfish. Playdoh and cutting will help strengthen our fine motor skills.

**Motor:** Noonan's Team will be outside working on motor skills. Let's pretend to dive like dolphins and have relay races in our play area. Please dress for the morning temps.
