

Pre K News

Theme: Reptiles

April 5, 2021

In the past, the children have always enjoyed *Reptile week*. We are sure that they will learn that reptiles are interesting and fun!

Have a great week!

Mrs. Paula, Mrs. Cathy, Mrs. Karen and Mrs. Catherine

HAPPY BIRTHDAY

Emery Nellis 4/5

Language Arts: Frogs, lizards, crocodiles: how many reptiles can you name? Our discussions of reptiles will include why they live and what they eat.

Concept: We will talk about the world of Reptiles. Addition and subtraction skills will be reviewed.

Craft & Writing: The children will make an alligator and snake to enhance our theme. We are also working on numbers and identifying opposites.

Motor: Spring has sprung! Outside activities will include a reminder of all the playground rules. A mini obstacle course will get our body parts moving slowly like our reptile friends. We will move like *frogs, snakes and turtles*.

Important Info

Registration for the 2021-22 school year

Have you registered for the 2021-22 school year? Classrooms are filling up! All current students need to re-register every year.

STEAM Into Summer

We are currently accepting registration for our summer camp. Weeks are filling up. Send in your form today!
