### Language Arts:

As we celebrate St. Patrick's Day, our class will explore several songs about this topic and discuss shamrocks and leprechauns. Our featured songs are "I'm a Little Leprechaun" and "The Leprechaun Song". We will also learn fun flannel board stories and review letters and colors by feeding a leprechaun a variety of shamrocks.

### Motor:

Hi-Ho, Hi-Ho off the way we go.... Our class will act like leprechauns as we follow the rainbow to find the pot of gold! The children will also play fun

St. Patrick's Day activities.

### Concept

Our little leprechauns will enjoy shamrocks and gold coins as we review. The class will work on seriation of color, size, and numbers going with our theme. Also, we will have fun estimating our pot of gold. Our leprechaun catchers will help build a leprechaun trap!

### Craft and Writing:

This week we are going to be introduced to the color gray. As we discover this new color, we will sponge paint using this color to create

art. We will also create St. Patrick's Day crafts throughout the week and display them in the classroom.
