Week 32
March 22-26
Theme: Easter

Concept: Mrs. Hollie will give the children Easter eggs to use for patterning and estimation. The children are beginning to become more aware of the many changes that take place during the Spring. Easter egg balancing will be added to our lesson – count how many eggs you stack up.

SPRING BREAK!

March 29th – April 2nd
Spring Break

Motor: Ms. Hollie will take the children outdoors more often as the weather improves. Our weekly path activity will feature the balance beam, walking over blocks, hula hoops, footsteps and doing the bunny hop. In the spirit of Easter we will golf with Easter eggs, have a bunny relay race with an egg on a spoon and a potato sack bunny relay race.

Craft and Writing: Fun Spring projects come to the craft tables this week! The teachers will have the children busy working on a cute Easter craft made with Easter eggs. Also, colorful sand and shaving cream are on the agenda for this week.
