

Junior Journal

Weeks 34 and 35: April 19-30, 2021 These: Birds/ Earth Day

Language Arts:

The Juniors will be exploring our fine-feathered friends, birds! We will be creating bird feeders, and reading about various bird species. Our little song birds will be practicing for the spring music program.

If I were a bird, I'd sing a song and fly around the whole day long, and when it was dark, I'd take a rest, up in my cozy nest.

Concept:

The children will be learning and discussing birds. We will take a look at a nest, and discuss how birds create these homes. We'll also learn the parts of the a bird's body, and what they are used for.

The children will learn the terms and purposes of a beak, feet, wings, and feathers. We will also venture outdoors and do some bird watching.

Motor:

Flap, flap, flap! We will flapping our arms like bird wings, as we fly around our classroom. Outdoors, we will be looking for real birds to join us as we run, jump, and hop around. We hope to enjoy mild spring weather and spend the majority of our time outside.

Craft and Writing:

Look for several Earth Day themed projects to be coming your way. The children will also learn their new

letters Ww and Xx.

The Junior Spring Music Program is on Saturday, June 5 AT OUR HOMER GLEN BOBBIE NOONAN'S LOCATION AT 9:30 AM.
