The children will get to use our farm hand puppets as we sing these songs. Our flannel board will also help the children to learn some of the characters in our books and songs. In addition to farm fun, we will discuss the Earth, and things we can do to help!

**Concept:**

We will be reviewing several of the jobs already introduced. The children will be stacking blocks. How many blocks how can you

build your tower? Matching, sorting, and other counting activities will be done, but this week, using our favorite farm animals. Lastly, the children will be stringing farm animals!
