Language Arts:

For the next two weeks we will enjoy finger plays about animals, such as: 5 Little Ducklings; Clippity, Clippity, Clop, and Pigs on the Farm. The children will also enjoy looking through some think link pictures of farm animals. They will also get to "link" farm animals to the letter it starts with. We will also learn Ss and Tt.

Motor:

Weather permitting we will be continuing to practice bouncing balls, shooting hoops, and kicking a rolling ball. The class will also sound and act out their favorite farm

animals.

Concept:

Clippity, clippity, clop. The horse go clip, clop, they gallop, they start and they stop. Clippity, clippity, clop!

The children will compare and contrast similar farm animals such as: horses, cow, sheep and goat. Farm animals will also help us in our distance, estimation, and water activities. Our new shapes hexagon and pentagon and numbers 11 and 12 will be added to our concept jobs and super hero review board!
