Language Arts:

This week we will work on long and short vowel sounds and the consonant digraphs. Sentence printing, and blends will be reviewed.

Math:

Money, time, missing numbers and fractions, will be our math activities this week. The boys and girls will have fun using a ruler as we measure things around the room.

Social Studies:

The boys and girls will learn about the symbols of America and that we are neighbors to Mexico.

Assessment:

Kindergarten assessment tests will be given the week of May 10th. Please make sure your child has a good night sleep, as well as a good breakfast each day. Please refrain from referring to these assessments as "test". I will tell the children we are working on a special booklet for first grade. This seems to help them to relax and perform better on the assessment. It is very important that your child arrive on time for class this week. You will receive a copy of the results along with an explanation grading. Please contact me if you have any questions.
