THEME: Spring
April 12, 2021

Springtime is so much fun!! We will continue to learn more about this favorite season of ours.

Miss Katrina, Mrs. Taghrid and Mrs. Kim

Language Arts: Our class will look at real life pictures of this season and talk about our favorite baby animals. Many storybooks and flannel board stories will also help enhance this theme.

Concept: To celebrate this season, we will have a great time making and playing with bubbles. Our counting skills will be put to the test this week as we count spring like items.

Craft & Writing: Raindrops, rainbows and rainclouds, oh my!! The children will get very creative this week with some fun springtime projects. Shaving cream will add to the fun!

Motor: Rolling the ball back and forth to our friends will develop our sense of sharing and cooperation. Parachute play is a fun activity, especially outside. Let's hope the weather cooperates.

Important Info

Registration for the 2021-22 school year

Have you registered for the 2021-22 school year? Classrooms are filling up! All current students need to re-register every year.

STEAM Into Summer

We are currently accepting registration for our summer camp. Weeks are filling up. Send in your form today!
