This week the children will be working on color blends with a variety of projects. We will continue to work on our color words, name printing and cutting. To reinforce our theme of Earth Day and Trees the children will work on painting the earth, a recycling collage and they will mosaic leaves on a tree.

The children will be estimating distance, work on shelf jobs, addition, figure out what's missing, practice tying shoes and they will be playing a game of number bingo. We will be having a seriation activity using twigs; the children will help collect the twigs that they will be using for this activity. We will also go for a walk around our yard to see what we can do to help keep the earth clean.
