Concept

In Concept on Monday, a "Bee to Flower" *Shape Matching* activity will be introduced and *Size Sequencing* will be practiced using flower pots! Tuesday, **SPRING** picture *Counting Cans* will be reviewed along with the introduction of a "Bird to Nest" *One-to-One Correspondence* activity. A "Find the Chicks" *Sensory Bin* will be played in on Wednesday where the children will *Count* and *Match* baby chicks to their numbered

mama hens! On Thursday an "Egg to Nest" *Number Concept* activity will be practiced, the "Discover Nature" bin will be explored, and "Bird Nests" will be constructed in the *Block Center* using different materials. Friday in the **Discovery Zone** a *Chart Activity* will be made as the students vote for their favorite flower. Afterwards, the children will "Go Fishing in the Creek" during a *Water Table Net Scooping* activity.
