

Pre-K Update

Week 36 Topic: Earth April 19-23

Introductions

Story #11: new story words: My, boat, blue, big

Fable #11: The Grasshopper and the Ants **Moral:** We should always make plans for the future.

Language Arts

Ms. Jen can't wait to teach the children all about recycling and what that means for the Earth. She will teach the children an Earth Day pledge. Weather permitting, the class will head outdoors to read stories by the trees. Ms. Jen will put an "earthly" spin on review.

Concept

Earth Week is here! The class will discuss the many ways they can help to keep our Earth "green". The class will venture outdoors to check for signs of spring on the trees and look for new sprouts popping up.

We will clean up our backyard for Earth Day.

Motor

While we are outdoors this week we will explore our yard and it's earthly creations. Ms. Ann has many activities planned for outdoor fun, one in particular is a recycling game. We can have fun while helping to keep our Earth clean.

Craft and Writing

The children will make a special craft for Earth Day. We will also have plenty of time to enjoy working on our fine motor activities.

**A big
Happy
Birthday to
