

Two's News

Week 34

April 5-9

Topic: Fairy Tales

Introductions: Ff

Bits of Intelligence: dinosaurs

Vocabulary: fabulous-unbelievable, impossible, amazing

Language Arts: Ms. Sara has a fun fairy tale week planned. The children will enjoy many "big book" stories. Some stories are "Cinderella" and "Goldilocks and the Three Bears". We will also review the finger plays "Two Little Blackbirds" and "Five Little Monkeys". The children will have a fun-filled fairy tale week. New activities will include feeding 3 bears porridge with matching letters while also matching princesses to castles. These activities help with letter recognition and 1 to 1 correspondence.

Concept: The children will be so excited as Mrs. Sam has their favorite activities planned. We'll start off the week with some special group activities such as counting flags for castles, fairy matching and much more. The children will have fun working with Duplo blocks to build their own castles.

Craft and Writing: We have lots of fun things planned this week. We will be using water color, chalk, colorful sand and foil to make some of our favorite fairy tales. We will also enjoy playdoh. A special craft ends the week.

Motor: We love practicing our morning dance routine! Dancing helps us work our muscles.

Please check your child's backpack to make sure they have a complete set of extra clothing.

Please send in 1 package of wipes.
