## What's New

**Introductions: Gg**

**Bits of Intelligence: Flowers**

**Vocabulary: grouchy – easily annoyed or angered**

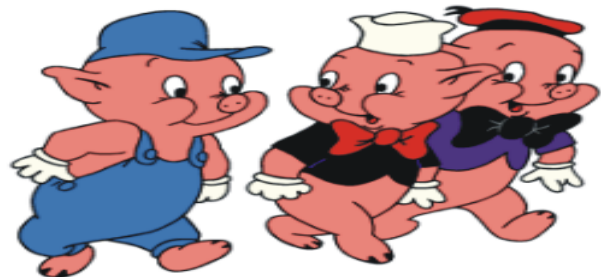

**Language Arts:** Ms. Sara will introduce the story of The Three Little Pigs as well as a few others. It's time to bring the flannel board out to help bring the folk tale "Goldilocks and the Three Bears" to life. We plan to spend lots of time in our dramatic play area this week.

**Craft and Writing:** Our readiness papers will feature our new letter Gg. These letters will get a dose of color using chalk and paint. Keeping with our folk tale theme the children will make a bear from Goldilocks and the Three Bears. A letter collage is planned for the week to help review the letters Aa-Ff.

**Concept:** It's loads of fun this week in Ms. Sam's class! She will delight the children with a new game that reinforces the concept of patterning. The children will count flags for castles. They will practice size seriation as we sort bowls of porridge, chairs and beds to the three bears. There will also be some fun new counting shelf jobs.

**Motor:** Inside to outside, rain or shine, we are going to have a ball playing with our new bouncy balls.
