THEME: Creepy Crawlers
May 10 thru 21, 2021

For a second week, we will be investigating creepy crawly creatures. As we wrap up the school year, the teachers will be conducting their last student evaluations. Report cards will be going home the last week of school.

Please send your child to school in gym shoes for outdoor play.

Have a super week!

Miss Katrina, Mrs. Taghrid and Mrs. Kim

Language Arts: With the use of our puppets, we will listen to stories and finger plays, and sing songs about Mother Nature's little friends, such as caterpillars, bumble bees and spiders.

Concept: One to one correspondence will be enhanced through the use of bees and bee hives. We will play a creepy crawly matching game.

Craft & Writing Collaging and sponge painting many creepy crawly creatures will keep us busy this week.

Motor: Once again we will practice walking along a zig-zag path. We will work on developing foot/eye coordination by walking up and down the stair-step with alternating feet. A color toss game will enhance eye/hand coordination, plus help us review our colors.

Special Info
