

# ZOO

## Toddler Times

Weeks 39 & 40 May 10-21 Theme: Zoo

Introductions: number 6

Book of the Week: Giraffes Can't Dance by: Giles Andreae

Lions, Tigers and Bears, OH MY! The next two weeks will discuss everything zoo! "I Went to the Zoo" flannel board will be introduced as well as "Brown, Bear, Brown Bear" and "Five Little Monkeys Swinging in a Tree".

To introduce our new number 6 we will count out zoo animals and add them to their homes in the zoo.

Animals are going wild in the craft room. This week we will create a yellow spotted giraffe using our arms and a black and white zebra using our hands. A paper plate flamingo craft and a toilet paper roll peacock will also add to the fun.

For gross motor we will stomp around the room like a herd of elephants and slither on our bellies like snakes.

Plenty of zoo themed books will be added to our bookshelf along with new zoo animal shelf jobs.

Thank you to the parents who recognized Teacher Appreciation Week!

Happy Mother's Day to all of our moms!!
