Theme:
Circus/Carnival

“Step Right Up”

Monday: Science

What happens when we use a water bottle, a sock and some water and soap? We will be making our own elephant trunk.

Tuesday: Technology

Today we will be creating our own bumper cars! Using ice cube trays, cars and water we will see how the cars drive!

Wednesday: Engineering

We will have creating our own roller coaster.

Thursday: Art

Today we will have fun with puffy paint and we will create cotton candy!

Friday: Math

We will be working on numbers using tickets to help us go to the circus.

Language:

This week we will be learning about the circus and all the different animals that are in the circus. We will also read stories and sing along with some flannel board stories to reinforce our theme.

Motor:

This week as we learn about the circus we will create our own ring of fire, parachute play and a fun maze.

Concept:

We will review what we have learned by matching up the cotton candy activity and we will build our own circus.

Craft & Writing:

We will create different projects this week including a clown, popcorn and a clown hat.

Have a great week!
Miss Erika
