

# GARDENING

June 21 - 25

## How does your garden grow?

Week 2 is sure to keep everyone busy as we will have the opportunity to plant seeds of our very own! We will learn the life cycles of plants, trees and even butterflies. Many science activities will keep little learners engaged as we create our own sprout houses, color changing carnations and blooming paper flowers!

This will be a wonderful hands-on learning week!!

## Bike Day Friday, June 25

If your child would like to bring their bike please label it with their first and last name. If your child is required to wear a helmet please label that also. All bikes are to be parked at the end of the driveway by the fence. Please, NO SCOOTERS!

## Reminders

**Sunscreen and Bug Repellent** -We will be going outside on a daily basis, so don't forget to apply sunscreen and bug repellent before you come to school.

**REMIND App** - Our new way of communicating with the families, right on your phone. Don't forget to sign up today!

**Center Closed**- Monday, July 5 in observance of the Fourth of July holiday.
