Tinley II
Nursery News
July 12th-16th

Theme:

Space and Robots

Monday: Science

Today, we will be making fizzy planets!

Tuesday: Technology

Today, we will be watching a rocket launch by watching a video!

Wednesday: Engineering

Today, we will be making a telescope out of paper towels rolls!

Thursday: Art

We will be making a few different crafts that have to do with outer space!

Friday: Math

We will be counting the different planets in our solar system as well as stars!

Language:

Since this week is all about space, we will be reading books that have to do with our solar system!

Art:

We will be doing many art activities throughout the week that have to do with our theme!

Motor:

This week we will be creating an obstacle course using the tunnel, stair steps and the rocking boat!

Concept:

We will be reviewing our colors by looking at the planets!

Have a great week!

Miss Erin
