Theme:
Construction

This week we will be focusing on our construction theme. Each day we will have a fun construction activity. If you have any books to go along with our theme, please bring them with you to class. Also, please remember to label the book with your child's name.

Monday: Science

Today for our science activity we will be building bridges using wooden blocks, foam and beans. We will see how many beans it can hold before it collapses.

Tuesday: E – Engineering

Today we will be building roads using building blocks and popsicle sticks. Once we are done we will use cars to drive on the roads we built.

Wednesday: A – Art

For our art project today, we will build our name. To do this we will use construction paper and paint samples.

Thursday: M – Math

For our math activity this week we will work on a construction color by number along with a construction dot-to-dot.

Friday: T – Technology

Our activity today will be constructing buildings for our blueprint images. To do this we will use pictures of different block constructions to recreate similar buildings.

Happy Birthday:
Jack – July 29th

Important dates to remember:

August 9 - 13 Daycare Week – No Preschool kids this week!
*Any preschool children that are not attending the fall school year,
your last day will be week ending Friday, August 6th.*

Monday, August 16th is our first day of 2021-2022 school year!
*Any daycare children that are not attending the fall school year,
your last day will be week ending Friday, August 13th.*

Have a great week!
Mrs. Jen & Mrs. Nina
