

Bobbie Noonan's Child Care  
Tinley II  
Pre-K and Alumni News  
July 19-23, 2021

**Theme:**  
Ocean

This week we are going to have some fun with our ocean theme. If you have any ocean books, please bring them in to share with the class. Also, please make sure to label with your child's name.

**Monday: S - Science**

Our science experiment that we will be working on is Swimming Fish. To do this we will use cut outs of foam fish and dish detergent to make them swim.

**Tuesday: T – Technology**

Jellyfish Discovery Bottle

We will use plastic baggies and plastic Smart water bottles to make our jellyfish Discovery Bottles for the classroom.

**Wednesday:**

Today is Mrs. Jen's and Mrs. Nina's Sprinkler Day! Please wear your swimsuit under your clothes to school and apply your child's sunscreen before arriving to school. You will also need a towel, underwear and water shoes are optional.

**Thursday: E Engineering**

**Toy Waterslide**

For this activity we will be using pool noodles, plastic toy figures and large building blocks to make our very own toy waterslide. We would like to do this activity outside weather permitting.

**Friday: A – Art**

**Bubble Wrap Starfish**

All you need is some bubble wrap, paint and construction paper to make your very own bubble wrap starfish.

Have a great week!

Mrs. Jen & Mrs. Nina
