

**Bobbie Noonan's Child Care  
Tinley Park  
Pre-K and Alumni  
August 2 – 6, 2021**

**Theme:**  
Wild, Wild West

This week we will be focusing on our Wild, Wild West theme. If you have any books to go along with our theme, please bring them with you to class. Also, please remember to label the book with your child's name.

**Monday: Science  
Build a Desert Biome**

To build our Desert Biome, we will use sand, dirt, a mason jar, sticks, rocks, succulent plants, water and a desert animal or toy bug. We will mix the sand and dirt, then pour it into the jar, arrange the plant, rocks and sticks. Then we will add a cup of water to the jar, close the lid and place somewhere sunny. After a couple of days, you will have condensation to indicate the biome is working.

**Tuesday: Technology  
Panning for Jewels**

Let's get ready to have some fun panning for jewels. All we need is sand, small paint brushes, sifters and special jewels. Hide the jewels in the sand bin and let them explore away and find their very own jewels.

**Wednesday: Engineering  
Western Block Play**

We will build a farm using different blocks and different farm animals. The rest is up to the kiddos to just have fun.

**Thursday: Art**  
**Cow Spots Sponge Painting**

All you need is a picture of a cow, paint and a sponge. We will paint the spots on the cow.

**Friday: Math**  
**I Spy Counting**

To do this we will have a Wild, Wild West find and seek paper with more than one of each object on it. We will have to find out how many of each object there is and write it down. Once we are done with that, as a group we will graph each Wild, Wild West object.

**Important dates to remember:**

**August 9 - 13 Daycare Week – No Preschool kids this week!**

*Any preschool children that are not attending the fall school year,  
your last day will be week ending Friday, August 6<sup>th</sup>.*
