

# Space and Robots

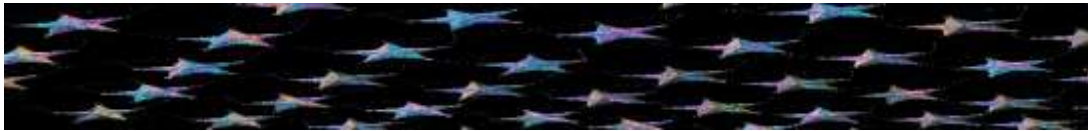

July 26 -30

**10, 9, 8, 7, 6, 5, 4, 3, 2, 1 Blast off!!!!**

This week the children will be learning about space, planets, the moon, constellations and astronauts as we travel to a galaxy far, far away.

The children will create rocket/space ships using different art mediums and will imagine what it is like to be an astronaut or alien through story books and music.

**Water Day - Friday, July 30. Please have your child wear their bathing suit underneath their clothes. Towels and water shoes should be in a soft bag labeled with their name.**

**Facebook-** Check out what's happening at Bobbie Noonan's. **LIKE** us on our Facebook page.

**Fall Semester-** Have you received your fall packet? If not, contact the office. School supply lists are on our website at [bobbienoonan.com/Frankfort](http://bobbienoonan.com/Frankfort), under the 2021-22 School Year tab. Our fall semester begins August 16.
