Theme:
Getting Acquainted

Introductions:
Red and Blue

“Adventures are the way to learn...
Yours begin here!”

Language:
We will get to know each other and our new school. We are going to work on recognizing our names; we will learn the new rules and some new flannel board stories. One of our favorite finger plays to sing would include “Open Shut Them”. We will read a new story to help us talk about school “There Was an Old Lady Who Swallowed Some Books”.

Craft & Writing:
We will have fun exploring new ways to create art! We will use crayons, paint and even Play-Doh. We will also learn about our new colors red and blue throughout the week.

Concept:
The children will be introduced to their rug mats when starting shelf jobs! Sorting jobs will help reinforce the colors red and the blue. We will also introduce the calendar by learning the days of the week and the months of the year.

Motor:
Get ready to move, we will have fun with different things to keep us moving! We will be introducing the tunnel, rocking boat and the balance beam.

Reminders:

Due to COVID guidelines, no backpacks or stuffed animals! If the guidelines change we will let you know.

An all about me paper was sent home. Please fill the paper out and return it to your child's teacher. This is the first project in which we plan on doing something special with!

Have a great week!
Miss Erika & Miss Noor

Open Shut Them

Open, shut them, open, shut them
Give a little clap, clap, clap
Open, shut them, open, shut them
Put them in your lap!

Creep them, creep them, creep them, creep
them
Right up to your chin, chin, chin
Open wide your little mouth
But do NOT put them in!
