**Weeks 3 and 4: August 30– September 10, 2021 (We will be closed on Monday, September 6 for Labor Day)
Theme: Snugglies**

Language Arts:

During these next two weeks, we will be learning several new finger plays including: Dancing Teddy Bears and Did You Ever See a Snuggly? We'll also enjoy the books Corduroy and How Much is that Doggy in the Window? The children will get to use the flannel board as they distinguish between snugglies and non-snugglies, and between our two new shapes, circle and square.

Concept:

We'll continue our daily calendar, weather, and job time. The shapes circle and square will be introduced, and added to all of the shelf jobs. In science, the children will get to collect material from our

playground, including: leaves, sticks, and grass, and study them in as we make our own science bins.

Motor:

The children will be playing the Following Directions game, where they will have to do the actions shown by their teachers. We'll also enjoy block bowling indoors, and have fun outside.

Craft and Writing:

We will be using a variety of art materials to create beautiful works of art. We will be finger painting pattern papers, and using pieces of paper to mosaic circles and squares. In addition, we will do dot marker pictures of

snugglies.

Your child may bring their favorite snuggly to school on the first day of the week they attend 8/30. Please label this with their name.
