

# Pre K Press

September 6, 2021

Theme: Pets

**Introductions:** To enhance our discussions about *pets*, your child may bring in a picture of their pet to share with the class. Please be sure to put your child's first and last name on the back of the picture.

Mrs. Paula, Mrs. Karen, Mrs. Julissa and Ms. Vickie

## Introductions

**Letters:** *Ee, Ff*

**Numbers:** 3, 4

**Shapes:** *circle, square*

**Vocabulary:**

*Befriend* - to become a friend to

**Language Arts:** Ee and Ff are next in line to board the alphabet train. Guess who's conducting the train? Yes, it's our friend Taffy Apple from our first reading story! "Guess the Picture", a group activity, will encourage exciting conversations this week. Don't forget your pet picture!!

**Concept:** The Zen Diagram will help distinguish domestic animals from wild animals and which animals can be both. The children will find out how many apples it takes to balance a scale.

**Motor:** Romping through the classrooms as our favorite pet will keep us busy with the use of the tunnel, balance beam and tumbling mat. As always, exercises and body movements will keep us in shape. A designated path will enhance crawling and jumping.

**Craft and Writing:** We will continue to print letters as we introduce E and F. Our fine motor skills will be strengthened as we practice cutting straight and curved lines. Color word recognition will be reinforced along with tracing shapes with our colored pencils.

## Happy Belated Birthday!
