

# Nursery News

**Weeks 26 and 27: February 7th- 11th and February 14th- 18th, 2022**

**Theme: Dinosaurs & Valentine's Day**

**Language Arts:**

The dinosaurs are stomping, flapping, and diving into our classroom for the next two weeks. Get ready to discover these prehistoric creatures that lived long ago. Can you swish your tail or jump, thump, and tap to the beat? We will enjoy singing along and using instruments as we create our own dinosaur rap. In celebration of Valentine's Day, we will learn many exciting new finger plays about dinosaurs and valentines day. Our featured flannel board stories are "I'm a Little Valentine", and "Five Big Dinosaurs".

**Concept:**

These next two weeks the children will explore like a paleontologist as they try to find fossils. The children will have fun playing a new Valentine monster review game.

**Craft and Writing:**

We're busy creating loads of love!

Throughout the following weeks, our little cupids will be busy creating a few dinosaur crafts and special Valentine's Day crafts! We will also explore our newest shapes and colors as we sponge paint!

**Motor:**

"We are the dinosaurs marching, marching, we are the dinosaurs what do you think of that?" The children will pretend to be BIG dinosaurs as we do different motions. The children will have fun playing Valentine's games.
