Language Arts:

Our love grows and grows! We will celebrate Valentine's day and learn songs about caring and friendship. We will also explore dinosaurs and read several "Dino-riffic" books. Our featured flannel board stories are "Five Little Valentine's", "Five Hungry Dinosaurs", and "See the Baby Dinosaurs".

Concept

Get ready to count all of our dinosaurs in our sensory bin. We will also do a dinosaur matching activity. We will conduct a dinosaur search in our sand bin. During our valentines week, we will be matching

same colored hearts. As well as create a fun heart experiment.

Craft and Writing:

We will be busy creating a very special Valentine's Day craft and a few spectacular dinosaur projects throughout the next two weeks.

Motor:

Get ready to swoop, stomp and soar like the prehistoric dinosaurs! Our class will play a dinosaur movement game as we march around the classroom like dinosaurs. We will also have fun using the parachute and the trampoline to get our bodies moving.
