Two's Newsletter
March 28 - April 1, 2022
April 4 – 8, 2022**

Theme:
Spring

Introductions:
Review

Language:
Over the next few weeks we will be teaching the children about spring and the weather. We will be singing songs about the weather and listening to finger plays about the rain.

In the Springtime
Here is a nest for robin (cup hands into a nest)
Here is a hive for a bee (Make a fist)
Here is a hole for a bunny (thumb and finger to make a circle)
Here is a house for me (palms facing, fingers slanted together as a roof)

Craft & Writing:
This week we will be water coloring spring pictures, we will review the letters Aa-Dd with readiness papers and we will be working on spring projects.

Concept:
This week we will be talking about spring and things that are related to spring. Counting leaves on a tree, eggs in a nest and frogs in a pond. We will also work on eye hand coordination by pouring at the water table.

Motor:
During motor, we will use the stair steps for balance and hula hoops will be used to work on coordination with jumping. At the end of the week, hula hoops and the stair step will be use for an obstacle course. Weather permitting, we will be going outside.

Happy Birthday:
Paddy O'Connell – March 25th

Reminders:

With the weather getting warmer, we will be going outside more often. Please make sure your child has a coat, hat, gloves and appropriate shoes for outside time.

Have a great week!
Mrs. Nina & Mrs. Danelle
